## *The Competitive Edge*

### **Welcome to National GET: Your Source for Superior Ground Engaging Tools**

At National GET, we specialize in manufacturing top-quality ground engaging tools (GET) designed to enhance the performance of mining and civil equipment including dozers, graders, loaders, road milling machines and continuous miners. As industry leaders in the production of cutting edges and wear parts, we take pride in delivering products that exceed industry standards and offer unparalleled reliability in the field.

### **Our Commitment to Excellence**

We understand the critical role that ground engaging tools play in the efficiency and effectiveness of heavy machinery operations. That's why we prioritize excellence in every aspect of our manufacturing process. Our cutting edges are engineered to withstand the toughest working conditions while maintaining optimal performance over extended periods.

### **Advantages of National GET Products**

- **Exceptional Quality:** Our ground engaging tools are manufactured to the highest standards, ensuring durability, longevity, and superior performance.
- **Ease of Installation:** Unlike conventional options, our cutting edges are designed for hassle-free installation, eliminating the need for time-consuming surface preparation.
- **Enhanced Safety:** With a focus on safety, our products are engineered to minimize installation risks by removing the need to sand off paint, providing peace of mind to operators and maintenance personnel.
- **Comprehensive Stock:** Our Warehouse houses extensive stocks of ground engaging tools, ensuring prompt availability and quick delivery to meet our customers' needs.
- **Custom Solutions:** We understand that each project is unique. That's why we offer tailored solutions and the flexibility to accommodate specific requirements, including custom orders and stock holding options.

### **Our Commitment to Customer Satisfaction**

At National GET, customer satisfaction is at the core of everything we do. We are dedicated to building long-term partnerships with our clients by providing exceptional products, reliable service, and unparalleled support. Whether you require standard ground engaging tools or specialized solutions, our team is here to assist you every step of the way.
